2. Wholesaling and Distribution
3. Exporter / Importer
4. Trading House

Below are some of our present range of products:

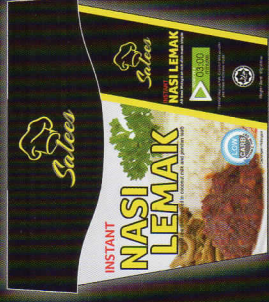

BBQ Grilled Chicken / Beef slice

Commonly known as 'Bakkwa' in Hokkien Chinese is a grilled dried savory, sweet cured meat with a tinge of smoky flavor, a delicacy enjoyed by the Chinese as snack in particularly during Chinese New Year. It can be used as condiment with fried rice, pizza topping, sandwich filling or just simply eat it on its own at any time.

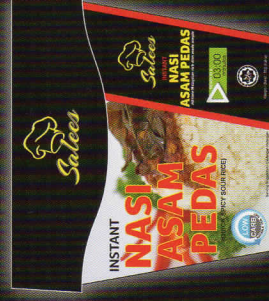

Now **Salees** brings this delicacy which is made from both halal chicken and beef for everyone. Flavors available:

- Original (sweet and smokey)
- Black pepper
- Ayam Masak Merah (sweet and spicy)
- Rendang (a spicy malay traditional caramelized dish flavor)
- Sambal Tumis (authentic chili paste with a tinge of shrimp flavoring flavor)
- Dates

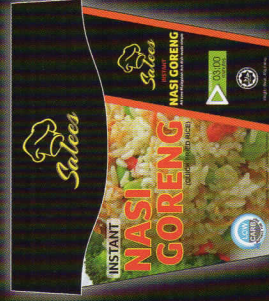

And more savory new flavors coming soon...

Nasi Lemak

Asam Pedas

Nasi Goreng

Authentic Instant Rice

A simple Malaysian all-time favourite that can be eaten anytime and anywhere conveniently. Just add hot water into its container and consume in 3 minutes.

- Rice: Nasi Lemak (Rice with coconut and pandan leave and garnished with fried anchovies)
- Nasi Goreng (Fried Rice)
- Assam Pedas (Seafood flavoring with slight sour and spicy)

Premix Sugar Free Herbs Coffee

Premix 3 in 1 coffee with added Ganoderma, Eurycoma Longifolia and Smilax Myositiflora extract. This beverage does not contain sugar and is suitable for individual on weight management diet and diabetic patient. It has a slight bitter taste but very aromatic and refreshing.

'HOLLANDER' Non-alcoholic malt beverage (non-alcoholic beer)

Imported from Belgium, the interesting fact of this product is it tastes just like beer but minus the alcohol so everyone can drink this refreshing beverage especially when chilled. Non-alcoholic malt beverage also holds various health benefits and is encouraged to consume on a regular basis.

Artisan Ice cream and Yogurt Ice Cream

The ice-cream products are manufactured using natural fruits and ingredients. It not only provides a natural fruity taste but also 'guilt' free in savoring as our Ice Cream uses Fructose low glycemic diet. It is low in fat, free from sucrose, preservatives and uses real fruit and nuts.

Its fruity tastes are Macadamia Vanilla / Signature Chocolate Artisan Ice cream and Mango Yogurt / Blueberry Yogurt. These flavor are hits especially to children.

And many more coming up.....
